I just want to say the day my wife and I met Brian from Independence Northwest Inc., was the best day of our lives. He's like a big brother to me and my wife. I can't say enough about what Brian and Independence Northwest has done for us. He first helped us with our medical by going over our finances helping me get my VA and civilian medical in order by setting us up on the Medicare Savings Program which saves us so much money. Then he helped us get on a better Medicare Advantage plan. Without those 2 things we would have not had any medical since we didn't know what to do at all. Then IN purchased a shadowbox for me, purchasing all new Army medals for me. Brian made it, put it together and hung it on my wall for me. Then our shelf fell off the wall in the bathroom and Brian came over and fixed it. Brian and IN have been real friends to us and Brian is the best. Last year when I was in Cheshire House for COVID rehab, Brian picked up Alberta my wife and they came to cheer me up. Now who does that, a real good person. Just last Saturday Brian and his wife picked us up since I can't drive anymore, they took us to breakfast, and they gave my wife flowers. We thank God for knowing them and all Brian and Independence Northwest has done for us.
